# Saraswati Pujo

This year Saraswati Pujo was a great success with about 250 people attending the Pujo during the day. Although it was an unusually hot day the air-conditioned auditorium saved the day.

We also had a fun activity arranged for kids that afternoon. Here are some glimpses.

The highlight of the day - as it should be was "Hathe khori".

The cultural programme in the evening was although short, a very entertaining one. We had young adults as MCs that night who did an absolutely marvellous job. The audience appreciated each participant and their efforts. And the “Music Trivia” was thoroughly enjoyed by all. We could appreciate how much effort had gone into collating and organising that event.

The kids had a gala time painting their arms and hands and the magic show stole the show really!

Of course, as always the food was lip-smackingly delicious in the afternoon and at night.
